

WINTER MAINTENANCE

ON CALL 24/7

\ PROJECT OVERVIEW

On call 24/7 Winter maintenance

LPL are proud to support Stansted Airport Airside Operations in providing 24 hour call out, 7 days a week for snow clearance during the winter season.

LPL has a team of 136 people who provide planned and ahdoc support to the Airfield Team. The fleet of eleven Prime Movers, two Snow Blowers for the Runway team and twenty tractors for Cul-de-sac clearing is driven by our experienced and reliable team.

LPL thrives at dealing with extreme conditions in a highly pressured environment.

LPL takes great pride in providing this service and ensuring the airfield remains operational during the winter season.

LPL has a long history supporting the airport and we remain passionate about serving the Stansted in the varied tasks and services it requires.
